

MORE ABOUT YOUR INSTRUCTOR: I received a M.Ed in Education from the University of Texas at El Paso, with an emphasis on teaching English to Speakers of Other Languages (TESOL). I love teaching. I have spent more than 30 years as an English language teacher in the classroom with English learners at all levels of language proficiency. I started teaching as a Peace Corps volunteer in the language rich country of Papua New Guinea. I have worked with junior high students and adult learners in both academic and non-academic settings. I taught on the border in Texas as well as in Chile. I also provided teacher training in China before the pandemic. I've been at the U of U since 2011!
