

STEPHEN M. DOWNES
(British Citizen; Permanent US Resident)

Current Position: Professor, Department of Philosophy, University of Utah

Previous Positions: Associate Professor, Department of Philosophy, University of Utah (1998-2006)
Assistant Professor, Department of Philosophy, University of Utah (1992-8)
Post-Doctoral Fellow, Northwestern University (1991-92)
Visiting Professor, University of Cincinnati (1990-91)

Administrative Appointments:

Department Chair (2009 to 2015)
Associate Department Chair (2003-2009)
Director of Graduate Studies (1999-2000; 2001-2002)
Chair of Department Retention, Promotion and Tenure Committee (1999-2002)
Acting Department Chair (Summer 2002)

Areas of Specialization: Philosophy of Science, Philosophy of Biology, Philosophy of Mind/Cognitive Science

Academic Record

1990 Ph.D. Science and Technology Studies, Virginia Polytechnic Institute.
Dissertation: "Prospects for a Cognitive Science of Science"
1985-88 Graduate Student, Philosophy, University of Colorado, Boulder (A.B.D. 1988)
1986 MA, Philosophy, University of Warwick (UK).
1983 BA Hons. (1st Class), Philosophy, University of Manchester (UK).

Recent Grants, Awards and Research Leaves

1. University of Utah, College of Humanities, Sabbatical Leave (2015-16)
2. Visiting Fellow, School of Philosophy, RSSH, Australian National University, July 2012.
3. Dibner/MBL Molecular Evolution Seminar Participant, Woods Hole, May 2004.
4. Recipient of National Science Foundation Scholars Award 0321875 Jan 1 2004 to Aug 2004.
5. University of Utah, College of Humanities, Sabbatical Leave (2002-3).
6. University of Utah, Faculty Fellowship. (Research leave and funding for Fall 2000.)
7. Recipient of National Science Foundation Conference Award 9900502 for a colloquium on Human Nature (1999).
8. Joint recipient of a Fund for the Improvement of Post-Secondary Education Grant for a Colloquium on Human Nature (1999).
9. O.C. & G.A. Tanner Humanities Center Fellowship at the University of Utah (1997-8).
10. Joint recipient of a grant from the National Center for Human Genome Research for the Genetic Science in Society Program Core of the Utah Center for Human Genome Research (1995-8).

Publications:

Books (Edited Volumes):

1. Arguing About Human Nature (Co-edited with Edouard Machery). Routledge (March 2013).
2. Philosophy of Science Vol. 79, Issue 5: Proceedings of the 2010 Biennial Meeting of the Philosophy of Science Association: Part 2 Symposia Papers. University of Chicago Press (December 2012).
3. Special issue of Human Nature: Evolution and Human Aggression (Co-edited with Elizabeth Cashdan), Vol. 23, No. 1 (2012).
4. Philosophy of Science Vol. 78, Issue 5: Proceedings of the 2010 Biennial Meeting of the Philosophy of Science Association: Part 1 Contributed Papers. University of Chicago Press (December 2011).

Journal Articles and Book Chapters:

1. "The role of ancient DNA research in archaeology," Topoi (Forthcoming).
2. Selected Presentations

- "Tens of Thousands of Associations but No Causal Mechanisms Revealed: Mismatches between GWAS and Developmental Molecular Biology," Philosophy of Science Association, Biennial Meeting, Seattle, November 2018.
- "Tens of Thousands of Associations but No Causal Mechanisms Revealed: Mismatches between GWAS and Developmental Molecular Biology," Behavior Genetics Association Meeting, Boston, June 2018.
- "Is there a gene for language," Washington University, St. Louis, April 2017.
- "Budgie Grammar, FoxP2 and Human Linguistic Uniqueness," Evolution of Language Workshop, Australian National University, August 2016.
- "What is Missing Heritability?" PBDB 10, Moruya, NSW, Australia, August 2016.
- "Response to Gillian Barker Beyond Biofatalism: Human Nature for an Evolving World," Pacific Division American Philosophical Association Meeting, San Francisco, March-April 2016.
- "Assessing the evolutionary challenges to human nature," IV Colombian Conference on Logic, Epistemology and Philosophy of Science, Bogota, Colombia, February 2016.
- "Understanding the evolutionary challenges to human nature," Why We Disagree About Human Nature, University of Cambridge, UK, December 2015.
- "Causation in Evolutionary Anthropology," International Society for the History, Philosophy and Social Studies of Biology Meeting, Montreal, July 2015.

“Confronting Variation in the Social and Behavioral Sciences,” Philosophy of Science Association Meeting, Chicago, November 2014.

“Hormones, Evolution and Explanation,” Logic and Philosophy of Science Department, University of California, Irvine, May 2014.

“Productive social and behavioral science does not require a concept of human nature,” Philosophy Department, Florida International University, February 2014.

“Gene regulation, gene regulation models and explanation,” Philosophy Department, Texas A&M University, November 2013.

“Explanatory Appeals to Hormones in Evolutionary Anthropology,” International Society for the History, Philosophy and Social Studies of Biology Meeting, Montpellier, July 2013.

“Can productive inquiry into human behavior be pursued without a concept of human nature?” Philosophy Department, University of Pennsylvania, May 2013.

“Response to Jesse Prinz, *Beyond Human Nature: How culture and experience shape the human mind*. New York: W.W. Norton (2012).” Central Division American Philosophical Association Meeting, New Orleans, February 2013.

“How much work do scientific images do,” School of Philosophy, Australian National University, July 2012.

“Response to Kim Sterelny’s The Evolved Apprentice,” Australasian Association of Philosophy Meeting, Wollongong, NSW, July 2012.

“Naturalism, Information and Modeling: Response to Brian Skyrms Signals: Evolution, Learning and Information,” APA Pacific Division Meeting, San Diego, CA, April 2011.

“Biology and the unconscious,” Department of Philosophy, University of Nevada, Las Vegas, November 2009.

“Life history traits and the evolution of cooperation,” Department of Philosophy, Florida State University, April 2009.

“The explanatory value of appeals to the unconscious,” Department of Anthropology, University of Utah, April 2009.

“Relations between life history traits and social behavior,” Australian National University Workshop on the Evolution of Cooperation, Canberra August 2007.

“Life History Theory, Optimality Modeling and Evolutionary Explanation,” ISHPSSB Meetings, Exeter, UK, July 2007.

“Reduction in human biology: When, why and how much?” Third Queensland Biohumanities Conference, University of Queensland, Brisbane, December 2006.

“Is all biology of human behavior Evolutionary Psychology?” Future Directions in Biology Studies, Indiana University, Bloomington, July 2006.

“Models, Pictures and Unified Accounts of Representation,” Mini-Conference on Scientific Images, APA Pacific Meeting, Portland, OR, March 2006; Scientific Images Conference, Virginia Tech., April 2006.

Selected Short Presentations:

“Hiring in Philosophy” presented in the APA Committee Session: Diversity in Philosophy Departments, American Philosophical Association, Pacific Division Meeting, Vancouver, CA, April 2019.

Commentary on Mikio Akagi “Characterizing Cognition: Moving Beyond the Mark of the Cognitive,” Society for Philosophy and Psychology Meeting, Durham, North Carolina, June 2015.

Commentary on Adam Hochman “The phylogeny fallacy and the ontogeny fallacy,” Australasian Association for Philosophy Meeting, Wollongong, NSW, July 2012.

Commentary on Tamler Sommers “Moral Responsibility and Human Diversity,” Society for Philosophy and Psychology Meeting, Lewis and Clark College, Portland, Oregon, June 2010.

Commentary on Graciela Kuechle and Diego Rios “The Baldwin Effect Reconsidered: A Game Theoretic Analysis,” American Philosophical Association, Pacific Division Meeting, April 2010.

Teaching

Teaching Award:

Ramona W. Cannon Award for Teaching Excellence in the Humanities, University of Utah (2000).

Teaching Related Publications:

With Miriam Solomon, Judith Genova and Neil Thomason "STS and Philosophy" in Teaching Science and Technology Studies: A Guide for Curricular Planners S. Fuller & S. Raman (Eds.) (Teaching document from the NEH Summer Institute on "Science as Culture and Practice" at Wesleyan University) (1991).

With Alex Wilford "The Animal Within," University of Utah Undergraduate Research Abstracts Journal, Vol. 6: 72 (2006).

Courses Taught:

Undergraduate Courses: Introduction to Philosophy of Science, History of Science, Introduction to Epistemology, Introduction to Philosophy of Mind, Introduction to Philosophy, Philosophy of Mind, Philosophy of Social Science, History and Philosophy of Science, Probability and Induction, Philosophy of Biology, Pragmatism, Philosophy of Cognitive Science (Also taught as an Honors course.), Philosophy of Science, Science and Society (Also taught as an Honors course.), Inductive Logic, Reasoning and Rational Decision Making.

Graduate Courses: Modeling in the Sciences, Philosophy of Science, Philosophy and Sociology of Science, Pragmatism, Social Epistemology, Mind and Evolution, Innateness, Philosophy Proseminar, Philosophy of Biology, Cognitive Science: Attention.

Graduate Student Supervision:

Advisor:

Landon McBrayer, "On Naturalism," Ph.D. Dissertation, May 2015

Chris Jenson, "Abandoning Belief: A New Eliminativist Argument," Ph.D. Dissertation, July 2013.

Monika Piotrowska, "Part-Humans: How Human Are They and Does it Matter," Ph.D. Dissertation, June 2011.

Luke Glowacki, Non-thesis Masters Degree, May 2008.

Austin Booth, "An Evaluation of the Tracking Argument," Masters Thesis, May 2004.

Rebekah Miner, "Scientific Free Inquiry and John Stuart Mill," Masters Thesis, May 2001.

Christine Grammes, "Are Mental Illnesses Really Illnesses?" Ph.D. Dissertation, October 1998.

Susan Parry, "Rationality, Competence and Informed Consent," Masters Thesis, June 1997.

Christopher Curcio, "Rationality and Supervenience," Masters Thesis, May 1997.

Committee member or Outside Examiner:

Lucas Matthews, Ph.D.; Mike Wilson, Ph.D.; Jack Anderson Ph.D.; Cinnamon Wuthridge, Ph.D.; Rachael Brown Ph.D. (Australian National University); John Matthewson Ph.D. (Australian National University); Mike Herman, Ph.D.; Ben Jeffares, Ph.D. (Australian National University); Quentin Mons, Masters; Amy Barnes, Masters; Matt Katz, Masters.

Professional Service

Editing:

Associate Editor, Philosophy of Science (August 2010 - August 2013).
Editorial Consultant, Social Epistemology (1990-2000).
Editor, Social Epistemology, Vol. 4, No. 2, special issue on Computationalism.
Assistant Editor, Social Epistemology (1986-90).

Refereeing:

Program Committee Chair for the 2010 Philosophy of Science Association Meeting (oversees refereeing of all submissions for conference presentation).
Program committee member for the Philosophy of Science Association Meetings Oct. 2000 (refereed a selection of submissions).
Referee of articles for Biology and Philosophy; Philosophy of Science; Philosophical Studies; Philosophy of the Social Sciences; British Journal for the Philosophy of Science; International Studies in the Philosophy of Science; Philosophical Psychology; Journal of Behavioral Decision Making; Synthese; Studies in History and Philosophy of Science; Studies in History and Philosophy of Science B; Human Nature.
Referee of book manuscripts for S.U.N.Y. Press; University of Chicago Press; Oxford University Press; Routledge; Cambridge University Press; MIT Press; Blackwell.
Referee of grant proposals for the National Science Foundation and the European Research Council.

Selected Conference Organization:

Program Committee Chair for the 2010 Philosophy of Science Association Meeting, Montreal, Canada, Nov 4th to 6th.
Co-organizer (with Elizabeth Cashdan and David Carrier) of The Evolution of Human Aggression: Lessons for Today's Conflicts, The Barbara L. and Norman C. Tanner Center for Nonviolent Human Rights Advocacy Center Annual Conference at the University of Utah, February 25th to 27th.
Co-organizer (with Dom Lopez) of an APA Mini-conference on Scientific Images at the Pacific APA Meeting, Portland, March 2006.
Organizer of the Twelfth Annual Philosophy Department Colloquium on Neuroscience and Moral Psychology held at the University of Utah Feb 9th to 11th 2006.

University of Utah Service:

Search Committee Member: College of Humanities Dean Search (2017-2018)
College of Humanities Road Map Committee (2016-2017)
S4 Working Group (2014-15) (Sub-Committee Chair in this group 2015)
Senior Vice President's Working Scheduling Group (2014)
Department Chair, Philosophy (2009-2015).
University Research Committee (2007-2009).
University Promotions and Tenure Appeals Committee (2007-2009).
Dean of Humanities Ad Hoc Committee on Curriculum Development (2007-2008).
Social and Behavioral Sciences Committee for General Education (2005-2008).
Ramona Cannon Teaching Award Committee (2001-2005 (Chair 2002 and 2004)).
Senate Academic Freedom and Tenure Committee (2003-7).
College of Humanities RPT Committee (2003-5).
Board Member for the Utah Symposium in Science and Literature (2001-4).
Steffenson Cannon Awards Committee (2002).

Selected for the University of Utah Faculty Leadership Seminar, attended 2001-2.
Quantitative Intensive Committee for General Education (2000-1).
Elected to University Senate 2000; served 2000-1.
Member of President's Task Force on RPT Procedures Dec 1999 to Spring 2004.
Member Physical and Life Sciences Area Committee for General Education, served Jan 1997-Jun 2000.
University Committee on the Tanner Lectures on Human Values (1996-00).
Elected to University Academic Senate; served 1996-9.
College of Humanities Faculty Development Committee (1994-6; Chair 1995-6).
Advisor for the interdisciplinary Minor in Cognitive Science administered by the Philosophy Department (1996 to 2010).
Member GENESIS Core of the Utah Human Genome Project (1994-8).
Member Dean of Humanities Ad Hoc Committee on the Future of Humanities at University of Utah (1993).

Department of Philosophy Service:

Department Chair, 2009 to 2015.
Associate Department Chair 2003 to 2009.
Served on Graduate, Curriculum, Recruitment, Personnel, Library, Budget, Enrichment and various Ph.D. Comprehensive Exam Committees.

Professional Societies:

American Philosophical Association.
International Society for the History, Philosophy and Social Studies of Biology.
Philosophy of Science Association.
Society for Philosophy and Psychology.
