

Jon Seger

Department of Biology, University of Utah, 257 South 1400 East, Salt Lake City, Utah 84112-0840
(801) 581-4758, seger@biology.utah.edu

January 22, 2018

Research interests

Evolutionary genetics, currently focused on very-small-effect mutations as a source of heritable variation; comparative population genomics of whale lice (Amphipoda, Cyamidae) and right whales (*Eubalaena*).

Evolutionary ecology, especially of life-history traits closely related to reproduction (sex ratios, mate choice, sociality); ecology and evolution of bees and apoid wasps (especially *Philanthus*).

Academic positions

- 1969-1971 Research Associate. Office of Academic Programs, National Museum of Natural History, Smithsonian Institution, Washington, D.C.
- 1972-1974 Curriculum Developer. Education Development Center, Cambridge, MA
- 1974-1979 Teaching Fellow. Harvard University, Cambridge, MA
- 1980-1981 Postdoctoral Associate. Department of Biology, Harvard University. (Supported by The Harry Frank Guggenheim Foundation)
- 1981-1982 Visiting Scientist. Population Biology Group, University of Sussex, Brighton, U.K. (NATO Postdoctoral Fellowship)
- 1982-1983 Postdoctoral Fellow. Museum of Zoology, University of Michigan, Ann Arbor, MI. (Thurnau Postdoctoral Fellowship)
- 1983-1984 Visiting Research Fellow. Department of Biology, Princeton University, Princeton, NJ. (NIH Genetics Training Grant)
- 1984-1986 Instructor. Department of Biology, Princeton University
- 1986-1989 Assistant Professor. Department of Biology, University of Utah
- 1989-2000 Associate Professor. Department of Biology, University of Utah
- 2000- Professor. Department of Biology, University of Utah

Degrees and postdoctoral training

- BA 1969 University of California, Santa Barbara. (English)
- EdM 1972 Harvard University. (Education)
- PhD 1980 Harvard University. (Biology)
Thesis: *Models for the evolution of phenotypic responses to genotypic correlations that arise in finite populations*. Advisors: RL Trivers, EE Williams
- 1980-1981 Department of Biology, Harvard University, Cambridge MA. Thomas J. Givnish. Kin selection models.
- 1981-1982 Population Biology Group, University of Sussex, Brighton, U.K. John Maynard Smith. Evolution of insect sociality; population genetics.
- 1982-1983 Museum of Zoology, University of Michigan, Ann Arbor, MI. W.D. Hamilton. Genetic models of sex allocation in social insects.
- 1983-1984 Department of Biology, Princeton University, Princeton, NJ. Robert M. May. Genetic models of mate choice.

Awards and fellowships

- NSF NATO Postdoctoral Fellowship, 1981-1982
- MacArthur Fellowship, John D and Catherine T MacArthur Foundation, 1987
- Honors Professorship, University of Utah Honors College, 2012-2013
- AAAS Fellow (American Association for the Advancement of Science), 2014

Grant support (recent)

NSF 0841233, 2009 – 2014 (no-cost extension to 2015), “Think Globally, Learn Locally (TGLL): Neighborhood Ecology in a Global Perspective” (PI Don Feener, coPIs Denise Dearing, Jim Ehleringer, Eric Rickart, Jon Seger) DGE, Graduate Teaching Fellows in K-12.

NSF 1051491, 2011 – 2014 (no-cost extension to 2017), “Mitochondrial fitness variation in a naturally replicated evolutionary experiment” (PI Jon Seger, coPIs Fred Adler, Kael Fischer) DEB, Evolutionary Processes.

NSF 1052352, 2011-2014 (no-cost extension to 2017), “Collaborative Research: Chemical Ecology of Host Specialization in Phorid Parasitoids of Ants: An Experimental Analysis (PI Don Feener, coPI Jon Seger) IOS, Symbiosis, Defense and Self-Recognition.

Teaching

- 1974-1979 Harvard University. Assisted in many different courses; designed and taught an undergraduate seminar on the evolution of sex and recombination
- 1980-1981 Harvard University. Supervised an undergraduate honors thesis project (*summa cum laude*) by JW Wenzel (now Assoc. Prof., Dept. of Entomology, Ohio State University)
- 1981-1982 University of Sussex. Assisted in a course on evolution
- 1983 University of Michigan. Four-week unit on evolution of senescence, in a course on aging
- 1983-1986 Princeton University. Taught undergraduate courses on ecology and evolution
- 1986- University of Utah. Courses on evolution, molecular evolution, population genetics, quantitative genetics, statistics; lower-division core course on genetics; upper-division core course on ecology and evolution. Graduate seminars and courses on evolutionary genetics, quantitative genetics, evolution of sex and recombination, genetic conflicts and genomic imprinting, sexual dimorphism, aggression and violence, K-12 science education

Student training

Undergraduate students (recent)

Zofia A. Kaliszewska (1999-2003, BS with honors 2003, U of Utah); Ashley Haun (2003-2005, BS 2005); Jarom Perry (2005-2006, BS 2006); Jessie Hunn (2007, BS 2007); Heather McGirk (2006-2009, BS 2009); Nels Andersson (2008-2009, BS 2009); Deborah Johnson (2010-2012, BS 2012); Stephen Jensen (2011-2014); Halie Andersen (2012-2013); Sarah Bradburn (2012-2013); Meggan Alston (2012-2016); plus many in the 1980s and 90s whose names I now forget.

Graduate students

Mark A McGinley (PhD 1989, U of Utah) Associate Professor, Texas Tech University; Vincent M Eckhart (PhD 1991, U of Utah) Professor of Biology, Grinnell College; John S Burner (MS 1992, U of Utah; D.V.M. 1996, U of Illinois) private veterinary practice; Jay D Evans (PhD 1995, U of Utah) research scientist, USDA, Beltsville MD; Mark Beilstein (MS 1999, U of Utah) Assistant Professor, U of Arizona; Janice Ragsdale (1997-07); Wendy A Smith (2004-05, Ph.D. U of Utah 2010) industrial research scientist; Carina Marón (Ph.D. U of Utah 2015, CONICET postdoc Universidad Nacional de Córdoba, Argentina). Thesis advisory committee member for scores of other students ($n=16$ active committees as of Jan. 2018).

Postdoctoral associates

Miriam H Richards (1992-94) Associate Professor, Brock University, St. Catharines, Ontario; Joshua Cherry (1999-2001) Research scientist, NCBI, Bethesda, Maryland; Aron Branscomb (2000-2002) Postdoctoral associate, Columbia University, New York, New York

University service

- 1986-** numerous graduate thesis advisory committees, faculty search committees, and RPT (retention, promotion, and tenure) subcommittees (Department of Biology)
- 1986-2012 Computer Advisory Committee (Biology)
- 1986-1990, 1992-1993 Curriculum Committee (Biology)
- 1988-2005 NIH Genetics Training Grant Steering Committee (University of Utah)
- 1989-1992 Hughes Grant Steering Committee (Biology)
- 1989-1995, 2003-2005 Tanner Lectures Committee (University of Utah)
- 1990-1991, 1993-1995 Executive Committee (Biology)
- 1992-1993, 1997-2000 Communications Committee (chair 1997-98) (Biology)
- 1992-1995, **2017-2020** **Academic Senate (University of Utah)**
- 1993-2012 Frontiers of Science Lecture Committee (chair 1997-2012) (College of Science)
- 1994-1997 Bookstore Policy Advisory Board (chair 1996-97) (University of Utah)
- 1994-1996, 2006-2007 International Studies Task Force (University of Utah)
- 1994-1996 Graduate Admissions Committee (chair 1995-96) (Biology)
- 1996-1997 Biology Undergraduate Research Program (BioURP) Steering Committee (Biology)
- 1997-2004 Rhodes Scholarship Screening Committee (University of Utah)
- 1997-2003 General Education Physical and Life Sciences Area Committee (University of Utah)
- 1999-2003 International Studies Board (University of Utah)
- 2000-2009 Biology Web Site Committee (chair 2000-2009)
- 2001-2002 College of Science Council (College of Science)
- 2001-2005 Admissions, Standards and Degrees Committee (chair 2004-05) (College of Science)
- 2001-2018** **RPT Chair (Biology)**
- 2004-2005 Quantitative Intensive Course Requirement Committee (chair) (University of Utah)
- 2006-2018** **Honors Policy Review Board (University of Utah)**
- 2009 Graduate School internal review committee for Department of Biochemistry
- 2009-2011 Center for Science and Mathematics Education steering committee (University of Utah)
- 2011 Search committee for Dean of the Honors College (University of Utah)

Professional activities

- Editorial boards of *Behavioral Ecology* (1990-94), *The American Naturalist* (1990-95), *Evolution* (1991-94), *Journal of Ethology* (2000-2002).
- Manuscript reviews for *Acta Biotheoretica*, *Acta Zoologica*, *American Journal of Human Biology*, *American Naturalist*, *Animal Behaviour*, *Arctic*, *Behavioral Ecology*, *Behavioral Ecology and Sociobiology*, *Biological Journal of the Linnean Society*, *BMC Evolutionary Biology*, *Bulletin of Mathematical Biology*, *Conservation Ecology*, *Current Biology*, *Ecological Entomology*, *Ecology*, *Ecology Letters*, *Evolutionary Ecology*, *Evolutionary Ecology Research*, *Evolutionary Theory*, *Evolution*, *FASEB Journal*, *Frontiers in Zoology*, *Genetics*, *Genome Biology and Evolution*, *Heredity*, *Human Ethology Bulletin*, *Journal of Evolutionary Biology*, *Journal of Heredity*, *Journal of Molecular Evolution*, *Journal of the Kansas Entomological Society*, *Journal of Theoretical Biology*, *Journal of Zoological Systematics and Evolutionary Research*, *Molecular Biology and Evolution*, *Molecular Ecology*, *Nature*, *Nature Communications*, *Oikos*, *PLoS ONE*, *PNAS*, *Proceedings of the Royal Society of London B*, *Quarterly Review of Biology*, *Science*, *Theoretical Population Biology*, *Trends in Ecology and Evolution*, Cambridge, Harvard, Oxford, and Princeton University Presses.
- Research grant proposal reviews for NSF, NSERC (Canada), NERC (U.K.), ARC (Australia), Wellcome Trust, Smithsonian Institution and other national and private funding agencies.
- NSF Predoctoral Fellowships review panel (1993-96); other DEB program panels recently (~1/yr).
- Society for the Study of Evolution, Nominations Committee 2002-2004.
- External reviewer, Department of Genetics, University of Pretoria, South Africa (September 2003).
