

**LISA G. ASPINWALL**

**Address**

Department of Psychology  
University of Utah  
380 South 1530 East, Room 502  
Salt Lake City, UT 84112-0251

Phone: (801) 587-9021  
Fax: (801) 581-5841  
lisa.aspinwall@psych.utah.edu

**Education**

B.A., Psychology	Stanford University, 1987 with honors and with distinction
M.A., Social psychology	University of California, Los Angeles, 1988
Ph.D., Social psychology	University of California, Los Angeles, 1991

**Employment**

Assistant Professor, Department of Psychology, University of Maryland, 1991-1997  
Associate Professor, Department of Psychology, University of Maryland, 1997-2000  
Associate Professor, Department of Psychology, University of Utah, 2000-2013  
Professor, Department of Psychology, University of Utah, 2013-present  
Chair, Department of Psychology, University of Utah, 2015-2018  
Member, Huntsman Cancer Institute, Cancer Control and Population Sciences  
Program (Associate Member, 2004-2010), 2011-present  
Member, Consortium for Families and Health Research (C-FAHR), 2014-present  
Member, Center for Genomic Medicine, University of Utah, 2019-present

**Academic Honors, Teaching Awards, and Prizes**

Gordon A. Craig Prize (history), Stanford University, 1984  
Phi Beta Kappa, 1986  
Firestone Medal for Excellence in Research, Stanford University, 1987  
National Science Foundation Graduate Fellowship, 1987-1991  
NIMH Health Psychology Research Trainee, 1989-1990  
Sigma Xi Outstanding Graduate Science Student Award, UCLA, 1991  
Certificate of Teaching Excellence, University of Maryland, 1994  
Excellence in Teaching Award, College of Behavioral and Social Sciences,  
University of Maryland, 1995  
Semester Research Award, General Research Board, University of Maryland, 1998  
Templeton Positive Psychology Prize (\$50,000), John Templeton Foundation  
and APA, 2000  
College of Social & Behavioral Science Superior Teaching Award, 2012-2013  
Irwin Altman Outstanding Psychology Faculty Award, University of Utah, 2017

**Grants, Extramural**

American Cancer Society Research Scholar Grant RSG-19-121-01-CPPB, \$789,000 (January 1, 2020-December 31, 2023). *Family-focused melanoma preventive intervention for children of survivors.*

Role: Co-Investigator (PI Yelena Wu). [I am Dr. Wu's primary research mentor.]

National Cancer Institute, 5R01 CA158322-01, \$2,719,544 (April 8, 2011-March 30, 2018). *Impact of Melanoma Genetic Testing on Health Cognitions and Prevention Behaviors.* MPI's Lisa G. Aspinwall, Sancy A. Leachman.

Primary Children's Hospital Foundation Early Career Development Award, \$25,000 (July 1, 2014-June 30, 2015). *Prevention of melanoma among genetically at-risk children.* P.I. Yelena Wu; primary mentor, Lisa G Aspinwall.

National Science Foundation, SBR-9709677, \$223,051. *Affect and the Processing of Negative Information* (July 1, 1998 - June 30, 2003). Awarded 7/1998 to P.I. Lisa G. Aspinwall. Transferred to University of Utah as BCS-0196354, and extended to 6/30/2003.

**Grants, Intramural**

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$29,994 + \$5000 supplement (July 1, 2014-June 30, 2016). *Communication of Elevated Risk for Melanoma to Children and Adolescents.* Co-P.I.s Yelena Wu, Lisa G. Aspinwall; Co-Investigators: Wendy Kohlmann, Doug Grossman, Cynthia Berg.

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$40,080 + \$4950 supplement (July 1, 2013-June 30, 2015). *BRIGHT Kids Study (Impact of Melanoma Genetic Testing on Health Cognitions and Prevention Behaviors in Minors, Ages 10-15).* P.I. Lisa G. Aspinwall; Co-Investigators: Pamela Cassidy, Wendy Kohlmann, Yelena Wu, Sancy A. Leachman.

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$39,952, November 2010. *Evaluation of Patient and Provider Attitudes toward Genetic Prostate Cancer Risk Assessment and Corresponding Educational Needs.* P.I.s Neeraj Agarwal & Anita Kinney; Co-Investigators Wendy Kohlmann, Christopher Dechet, Lisa G. Aspinwall.

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$40,087 (initial award, \$29,587, July 1, 2008-June 30, 2009; second award to extend project, \$10,500, July 1, 2009-June 30, 2010). *Understanding Multiple Barriers to Sustained Adherence: Psychosocial Determinants of Underscreening and Overscreening among High-Risk Familial Melanoma Patients.* P.I. Lisa G. Aspinwall; Co-Investigator Sancy A. Leachman.

Funding Incentive Seed Grant, Office of the Vice President for Research, University of Utah, \$30,500 (June 1, 2005-May 30, 2006). *A Prospective Longitudinal Study of Psychological and Behavioral Responses to the Receipt of p16 Genetic Testing Results*. P.I. Lisa G. Aspinwall; Co-Investigator Sancy A. Leachman.

Proposal Initiative Grant, College of Social and Behavioral Science, University of Utah, \$4,000 (Summer 2004). *Psychological Aspects of Genetic Testing Among Familial Melanoma Patients: A Prospective Study of Personality and Tailored Risk Communications in the p16 Kindreds*. P.I. Lisa G. Aspinwall.

Biomedical Research Award, University of Maryland, \$10,000. *Optimism, Risk Assessment and Self-Regulation: A Microlevel Investigation of How People Process Information about Potential Health Threats*, \$10,000. Awarded 11/1991 to P.I. Lisa G. Aspinwall.

The Spring Foundation for Research on Women in Contemporary Society, \$5,000. *Individual Differences, Coping, and Well-Being: Adjustment to College in First-Generation College Students*. Awarded 8/1990 to Lisa G. Aspinwall (Co-P.I. Ron E. F. Duran).

## **Mentorship of Faculty**

### **Yelena Wu, Assistant Professor of Dermatology**

Primary mentor on National Cancer Institute K07 Award, A translational approach to melanoma prevention among children at high genetic risk. Total costs: \$680,855.00.

Primary mentor on Primary Children's Hospital Foundation Early Career Development Award, and Primary Children's Hospital Foundation award, Prevention of melanoma among genetically at-risk children. Total costs: \$50,000.00

American Cancer Society Research Scholar Grant, Family-Focused Melanoma Preventive Intervention for Children of Survivors, RSG-19-121-01-CPPB, \$789,000, 1/2020-12/2023. (Yelena Wu is PI, Aspinwall is Co-I.)

### **Lisa Taylor-Swanson, Assistant Professor of Nursing**

VPCAT Senior Mentor (2020-2022)

### **Boyu Hu, Assistant Professor of Hematology/Hematologic Malignancies, Huntsman Cancer Institute**

VPCAT Senior Mentor (2020-2022)

**Ansuk Jeong, Assistant Professor (Lecturer), Dept. of Psychology, 2019-present**

**Megan Reynolds, Assistant Professor, Department of Sociology, 2016**

**Trafton Drew, Assistant Professor, Department of Psychology, 2014-16**

## Publications

**Student authors** = Brunhart, Conn, Dow, Drummond, Hauglid, Huynh, Leaf, MacNamara, Hill, Hoffman, Michaelis, R. Mooney, Nagelhout, Nottingham, Parsons, Pengchit, Reed, Richter, Scott, Sechrist, Stump, Taber; **faculty mentees**, Wu

Taber, J.M., Aspinwall, L. G., Drummond, D., Stump, T. K., Kohlmann, W., Champine, M., Cassidy, P. B., & Leachman, S. A. (2020, in press). Priority of risk (but not perceived magnitude) predicts improved sun-protection behavior following genetic counseling. *Annals of Behavioral Medicine*.

## Papers Presented at Professional Meetings & Invited Colloquia

- Aspinwall, L.G. (2020, April). *The evidence for sharing genetic test results with people at high risk of melanoma to motivate behavior change*. Invited talk to be presented at the Prevent Cancer Dialogue, Washington DC.
- Aspinwall, L.G. (2020, January). *Snowballs and sunscreen: Interactive beliefs about genes and health predict behavioral risk reduction following melanoma genetic testing*. Poster presented at the Center for Genomic Medicine Symposium, Salt Lake City, Utah.
- Aspinwall, L.G. (2020, January). *Priority of risk (but not perceived magnitude of risk) predicts improved sun-protection behavior following genetic counseling for familial melanoma*. Talk presented at the Center for Genomic Medicine Symposium, Salt Lake City, Utah.
- Aspinwall, L.G. (2019, December). *Save your skin: Interactive beliefs about genes and health as predictors of behavioral risk reduction following melanoma genetic testing*. Invited presentation at Columbia University conference, "Thinking morally about genetics and agency: Empirical and philosophical approaches," New York City.
- Wu, Y.P., Boucher, K., Hay, J.L., Kohlmann, W., Aspinwall, L.G., Bowen, D.J., Parsons, B.G., Nagelhout, E.S., Zhu, A., Grossman, D., Mooney, K., Leachman, S.A., Tercyak, K. (2019). A family-focused intervention to promote use of sun protection among children of melanoma patients. *Annals of Behavioral Medicine*, 53 (Suppl 1).
- Drummond, D.M. & Aspinwall, L.G. (2019, February). The value of valued outdoor activities in prioritizing melanoma risk among high-risk individuals. Poster presented at the annual SPSP Health Preconference, Portland, OR.
- Stump, T.K., Aspinwall, L.G., Xu, S., Maganti, N., & Robinson, J.K. (2018, May). *The Daily Minutes of Unprotected Sun Exposure (MUSE) Inventory: Measure Description and Validation*. Paper presented at the annual UV and Skin Cancer Prevention conference, Toronto, CA.
- Parsons, B.G., Zaugg, K., Zhu, A., Aspinwall, L.G., Mooney, R., Klein, S., Grossman, D., Wu, Y.P. (2018). *Skin Self-Exam Implementation and Association with Melanoma Preventive Behaviors among Children at Elevated Risk for Melanoma*. Poster presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
- Wu, Y.P., Parsons, B.G., Aspinwall, L.G., Hay, J.L., Caputo, H., Boucher, K., Mooney, R., Grossman, D., Leachman, S.A. (2018). *Barriers to and facilitators of melanoma preventive behaviors predict reported sun protection in children with familial risk*. Paper presented at the annual meeting of the Society for Behavioral Medicine, New Orleans, LA.

- Drummond, D., & Aspinwall, L.G. (2018, February). *What makes reducing cancer risk a priority?: Understanding the factors that predict prioritization of melanoma risk among high-risk individuals*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- Nagelhout, E.S., Grahmann-Parsons, B., Patil, A., Aspinwall, L. G., Boucher, K.M., Kohlmann, W., Kaphingst, K.A., Homburger, S., Perkins, R.D., Grossman, D., Harding, G., Leachman, S.A., Wu, Y.P. (2017, November). *Delivery of Novel Educational Intervention to Increase Knowledge and Perceived Risk for Melanoma among Children with Familial Risk for Melanoma*. Poster presented at the annual conference of the American Public Health Association, Atlanta, GA.
- Aspinwall, L.G., Stump, T.K., Taber, J.M., Kohlmann, W., Champine, M., Drummond, D., Cassidy, P., & Leachman, S. A. (2017, June). *Melanoma genetic testing to promote reductions in tanning: Results from the Utah BRIGHT Project*. Poster presented at the annual meetings of the American Society of Clinical Oncology, Chicago.
- Aspinwall, L.G., Stump, T.K., Taber, J. M., Kohlmann, W., Champine, M., Drummond, D., & Leachman, S. A. (2017, March). *Does genetic testing matter? Results from the Utah BRIGHT Project*. Presidential Symposium on Genomics and Behavior Change. Invited presentation to the Society of Behavioral Medicine, San Diego, CA.
- Stump, T.K., & Aspinwall, L.G. (2017, March). *An online daily feedback intervention improves sun protection among patients with an elevated risk of skin cancer*. Poster presented at the annual meeting of the Society of Behavioral Medicine, San Diego, CA.
- Taber, J.M., Aspinwall, L.G., Scott, E.E., Kohlmann, W., Champine, M., & Leachman, S.A. (January, 2017). *Changes in cognitive, affective, and motivational aspects of risk perceptions following genetic testing*. Poster presented at the annual meetings of the Society for Personality and Social Psychology, San Antonio, TX.
- Aspinwall, L.G., & Wu, Y.P. (2016, November). *Fostering changes in multiple health behaviors: A discussion and examples from families at elevated risk for melanoma*. Paper presented to the Consortium for Families and Health Research, University of Utah, Salt Lake City, UT.
- Wu, Y.P., Aspinwall, L.G., Grahmann, B., Mooney R., Zhao, J., Kohlmann, W., & Leachman, S.A. (2016). *Barriers to melanoma preventive behaviors in high-risk children*. Paper presented at the annual conference of the Utah Cancer Action Network, Salt Lake City, UT.
- Wu, Y.P., Aspinwall, L.G., Nagelhout, E., Kohlmann, W., Kaphingst, K., Grossman, D., Cassidy P., & Leachman, S.A. (2016). *Interdisciplinary research collaborations to communicate genetic risk and melanoma preventive behaviors to high-risk children*. Paper presented at the annual conference of the Society of Pediatric Psychology, Atlanta, GA.

- Scott, E.E., Aspinwall, L.G., Taber, J.M., Stump, T.K., Kohlmann, W., Champine, M., & Leachman, S.A. (2016, April). *Sunburn tendency predicts but does not moderate increased risk perception following melanoma genetic testing*. Poster presented at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
- Stump, T.K., Aspinwall, L.G., Kohlmann, W., Champine, M., & Leachman, S.A. (2016, April). *Genetic test-reporting and counseling for melanoma risk in minors: Increasing sun-protection without increasing distress*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
- Wu, Y.P., Aspinwall, L.G., Grahmann, B., Mooney, R., Kohlmann, W., & Leachman S. (2016) Why do children at elevated risk for melanoma not engage in preventive behaviors? *Annals of Behavioral Medicine, 50 (Suppl 1):S1-S335*. Poster presented at the annual meeting of the Society of Behavioral Medicine, Washington DC.
- Aspinwall, L.G., Stump, T.K., Kohlmann, W., & Leachman, S.A. (2016, January). *Can unhealthy behaviors amplify genetic disease risk? The motivational implications of beliefs about gene-behavior interactions in high-risk families*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, San Diego, CA.
- Aspinwall, L.G. (2015, November). *Understanding familial melanoma history as a motivator of prevention and screening behavior*. Invited presentation to the Melanoma Community Research Forum sponsored by SolSurvivors Oregon and Oregon Health and Science University, Portland, OR.
- Aspinwall, L.G. (2015, October). *Motivating sun protection – from gene discovery to tailored prevention*. Invited presentation at the conference, Translating Cancer Epidemiology: From Cells to Clinic and Population, Huntsman Cancer Institute, Salt Lake City, UT.
- Aspinwall, L.G., Kohlmann, W., Stump, T.K., Taber, J.M., Champine, M., & Leachman, S.A. (2015, May). *Melanoma genetic test reporting provides informational and motivational benefits compared to family history-based counseling alone: Results from the Utah BRIGHT Project*. Paper presented at the joint meeting of the UK Cancer Genetics Group and the 14<sup>th</sup> International Meeting on the Psychosocial Aspects of Hereditary Cancer, Manchester, England.
- Taber, J.M., Aspinwall, L.G., Stump, T.K., Kohlmann, W., Champine, M., & Leachman, S.A. (2015, May). *Putting the personal in personalized medicine: Genetic test reporting enhances understanding of risk information and acceptance of management recommendations*. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.
- Michaelis, T.C., McPhail, J., Aspinwall, L.G., Leachman, S.A., & Wu, Y.P. (2015, March). *Discussion of melanoma preventive behaviors with minor children following genetic testing and counseling*. Poster presented at the annual meetings of the American Academy of Dermatology, San Francisco, CA.

- Stump, T.K., Aspinwall, L.G., Taber, J.M., Kohlmann, W., Leaf, S.L., & Leachman, S.A. (2015, February). *Impact of melanoma genetic test reporting on perceived control over melanoma prevention*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, Long Beach, CA. February 26-28, 2015.
- Stump, T. K., Aspinwall, L. G., Taber, J. M., Edwards, R., & Leachman, S. A. (2014, April). *Validation of the protection-adjusted length of exposure (PALE) index - A new self-report measure of UVR exposure*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Philadelphia, PA.
- Aspinwall, L.G. (2014, April). *Genetic testing and the proactive management of familial melanoma risk*. Inaugural Lecture, CHIP Lecture Series on Genomics and Health Behavior, presented at the Center for Health Intervention and Prevention at the University of Connecticut, Storrs, CT.
- Petrie, T. C., Stump, T. K., Aspinwall, L. G., Cassidy, P., Taber, J. M., Jacques, S., Tanner, P., McKenzie, R., Liley, B., Leachman, S. A. (2014, April). *Mining dosimetry data: Sun exposure behaviors in hereditary melanoma participants*. Paper presented at the NIWA UV Workshop, Auckland.
- Aspinwall, L.G. (2014, February). *Genetic testing and the proactive management of familial cancer risk*. Invited paper presented at the annual meetings of the Social Personality and Health pre-conference, Society for Personality and Social Psychology, Austin, TX.
- Aspinwall, L.G. (2014, February). Invited panelist, roundtable discussion, *"Social/Personality & Genetics: a discussion on the importance of the connections, critiques and implications"* at the annual meetings of the Social Personality and Health pre-conference, Society for Personality and Social Psychology, Austin, TX.
- Stump, T. K., Aspinwall, L. G., Leachman, S. A., Taber, J. M., & Edwards, R. (2013, June). *Protection-Adjusted Length of Exposure (PALE): A new self-report measure of UVR exposure that captures multiple modalities of photoprotection*. Paper presented at the annual meeting of the Melanoma Genetics Consortium, Philadelphia, PA.
- Taber, J.M., Aspinwall, L.G., & Leachman, S.A. (2013, June). *Does melanoma genetic test reporting improve adherence to screening guidelines 2 years later?* Paper presented at the annual meetings of GenoMEL-- the Melanoma Genetics Consortium, Philadelphia, PA.
- Huynh, S., Stefanucci, J. K., & Aspinwall, L. G. (2013, January). *Self-affirmation counters the effects of cognitive resource depletion on height perception*. Poster presented at the annual meetings of the Society for Personality and Social Psychology, New Orleans, LA.
- Stump, T. K., Aspinwall, L. G., & Stoffel, R. L. (2013, January). *Altering genetic disease risk: Who believes behavior matters?* Poster presented at the annual meeting of the Society of Personality and Social Psychology, New Orleans, LA.

- Taber, J.M. & Aspinwall, L.G. (2013, January). *Beliefs about mood-enhancing benefits of sun exposure predict behavior among adults aged 18 to 88*. Poster presented at the annual meetings of the Society for Personality and Social Psychology, New Orleans, LA.
- Kinney, A. Y., Birmingham, W., & Aspinwall, L. G. (2012). *Patients' and providers' cognitions regarding genomic risk assessments for prostate cancer susceptibility and cancer prevention*. Presented at the annual meetings of the European Health Psychology Society, Prague.
- Taber, J. M. Aspinwall, L. G., Heichman, K. A., & Kinney, A. Y. (2012, March). *Preferences for a methylated DNA blood test for colorectal cancer among a multiethnic sample of screened and unscreened adults*. Poster presented at the annual meetings of the American Society of Preventive Oncology, Washington, D.C.
- Leachman, S. A., Cassidy, P., Grossman, D., Abdel-Malek, Z., & Aspinwall, L. G. (2011, November). *Using genetic test results*. 5th Meeting of Interdisciplinary Melanoma/Skin Cancer Centres, 2011 International Melanoma Congress, Tampa, FL.
- Kasparian, N. A., Bränström, R., Chang, Y-M., Affleck, P., Tibben, A., Aspinwall, L. G., Gruis, N. A., Newton-Bishop, J., Brandberg, Y., & members of GenoMEL, the Melanoma Genetics Consortium. (2011, October). *Bridging continents and cultures to assess skin cancer-related behaviors: The role of melanoma history, risk perceptions and skin cancer-related worry in determining skin examination behavior*. World Congress of Psycho-Oncology, Antalya, Turkey, 18-20 October, 2011. Publication: *Psycho-Oncology* 2011, 20 (Suppl. 2): 79.
- Tabery, J., Brown, T. R., & Aspinwall, L. G. (2011, October). *Testing the blades of the double-edged sword*. American Academy of Psychiatry and the Law, Boston, MA.
- Tabery, J., Brown, T. R., & Aspinwall, L. G. (2011, October). *Testing the blades of the double-edged sword*. American Society for Bioethics and the Humanities, Minneapolis, MN.
- Taber, J., Aspinwall, L. G., Heichman, K., & Kinney, A. (2011, March). *Blood-based colorectal cancer screening: Eliciting attitudes and determining predictors of interest in a multiethnic sample*. Poster presented at annual meetings of the American Society for Preventive Oncology, Las Vegas, NV.
- Aspinwall, L. G., & Leachman, S. A. (2011, February). *Genetic testing and the proactive management of familial cancer risk*. Presented to the External Advisory Board of the Cancer Control and Population Sciences program of the Huntsman Cancer Institute, Salt Lake City, UT.
- Aspinwall, L. G. (2011, February). *Pollyanna in the lab: What have we learned from the systematic study of positive thinking and health?* Invited presentation to the Staff Development Series for the University of Utah Counseling Center and Student Health Center, Salt Lake City, UT.

- Taber, J. M. & Aspinwall, L. G. (2011, January). *Understanding the impact of message framing on prevention behaviors among high-risk individuals: A simulation study*. Poster presented at the annual meetings of the Society of Personality and Social Psychology, San Antonio, TX.
- Pengchit, W. & Aspinwall, L. G. (2011, January). *Not too scared to think carefully: Optimism fosters processing of persuasive messages regarding health risk*. Poster presented at the annual meetings of the Society of Personality and Social Psychology, San Antonio, TX.
- Taber, J. M., Aspinwall, L. G., & Leachman, S. A. (2010, April). *Predictors of sustained improvements in skin self-examination adherence in high-risk melanoma families following genetic test reporting*. Presented in paper session, "Don't walk on the sunny side of the street": Skin cancer and melanoma risk at the annual meetings of the Society for Behavioral Medicine, Seattle. Abstract available in *Annals of Behavioral Medicine*, 39 (Suppl), s210.
- Aspinwall, L. G., Taber, J. M., & Leachman, S. A. (2010, April). *Genetic testing and the proactive management of familial cancer risk*. Presented in *Directions in Stress and Coping Research in Chronic Illness* at the annual meetings of the Society for Behavioral Medicine, Seattle. Abstract available in *Annals of Behavioral Medicine*, 39 (Suppl), s126.
- Taber, J. M., Aspinwall, L. G., & Leachman, S. A. (2010, January). *Risk underestimation following receipt of positive melanoma genetic test results predicts improvement in prevention and screening*. Poster presented at the annual meetings of the Society of Personality and Social Psychology, Las Vegas, NV.
- Aspinwall, L. G. (2009, November). *Pollyanna in the lab: What have we learned from the systematic study of positive thinking?* Invited speaker, ARUP Laboratories, Salt Lake City, UT.
- Leachman, S. A., Taber, J. M., Leaf, S., & Aspinwall, L. G. (2009, November). *Melanoma genetic counseling and testing improve patient compliance and perceived control*. Invited presentation, 3rd World Meeting of Interdisciplinary Melanoma/Skin Cancer Centers, Berlin, Germany.
- Aspinwall, L. G. (2009, September). *Genetic testing and the proactive management of familial cancer risk*. Invited speaker, *The state of science in stress and coping: A symposium in honor of Susan Folkman*, San Francisco, CA.
- Aspinwall, L. G. (2008, March). *Will the real Positive Psychology please stand up?* Invited participant, The Great Debate: *Positive psychology: How positive should we be?* Presented at the annual meetings of the Society for Behavioral Medicine, San Diego.

- Aspinwall, L. G. (2007, October). Keynote address, *Affect, health cognitions, and the management of familial cancer risk*. Presented at the Research Institute for Psychology & Health's international seminar *New directions in emotion regulation and health*, Utrecht, The Netherlands.
- Leaf, S. L., & Aspinwall, L. G. (2007, January). *Positive mood and health risk: Feeling good boosts health cognitions and behavioral intentions related to skin cancer*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Memphis, TN.
- Campo, R. A., & Aspinwall, L. G. (2004, August). *The effect of expected positive mood on the processing of failure feedback and physiological responses*. Poster presented for annual meeting of the American Psychological Association, Honolulu, HI.
- Aspinwall, L. G., & Leaf, S. L. (2004, June). *A prospective study of psychological and behavioral responses to genetic testing for familial melanoma*. Presented for the annual meeting of the Health Cognitions Working Group, National Cancer Institute, Snowbird, UT.
- Aspinwall, L. G. (2004, March). *Affect, health cognitions, and the processing of health-risk information*. Presentation for the Cancer Control and Population Sciences Seminar, Huntsman Cancer Institute, Salt Lake City, UT.
- Aspinwall, L.G., (2003, October). *Is Freud dead everywhere but the English Department? No, but he should be*. Panel presentation for *The passionate mind: Emotion, cognition, and the construction of self* at the Utah Symposium in Science and Literature, Salt Lake City, UT.
- Aspinwall, L. G. (2003, September). Keynote address, *Does positive thinking help or hurt? Critical issues in understanding the role of positive beliefs and emotions in managing adversity*. Presented at the 17<sup>th</sup> European Health Psychology Society Conference, Kos, Greece.
- Aspinwall, L. G. (2003, January). *Toward a more positive psychology*. Presented as discussant for preconference on *Positive psychology and health* at the annual meetings of the Society of Personality and Social Psychology in Universal City, CA.
- Aspinwall, L.G. (2002, August). *Understanding the psychological resources that fuel resilience, adaptation, and growth*. Presented for symposium on *Resilience and stressful life events* at the annual meetings of the American Psychological Association in Chicago.
- Aspinwall, L.G., & Clark, A. (2002, June). Keynote address, *Strength, adaptation, and change: Toward a positive psychology of cancer survivorship*. Presented at *Cancer survivorship: Resilience across the lifespan* at a joint meeting of the National Cancer Institute's Office of Cancer Survivorship and the American Cancer Society, Washington, DC.

- Aspinwall, L.G. (2002, May). *A self-regulatory approach to understanding optimism, positive affect, and other psychological resources*. Distinguished Lecture, Department of Psychology, University of Hamburg.
- Aspinwall, L.G., & Leaf, S. L. (2002, May). *Something's coming, something good: A self-regulatory approach to understanding optimism, positive affect, and other psychological resources*. Presented for symposium on *Optimism: Recent developments and new perspectives* at the Fourth Dutch Conference on Psychology and Health, Kerkrade, the Netherlands.
- Aspinwall, L.G. (2002, May). Keynote address, *Toward a more positive psychology: Lessons for -- and from -- health psychology*. Presented at the Fourth Dutch Conference on Psychology and Health, Kerkrade, the Netherlands.
- Aspinwall, L.G. (2001, November). *Something's coming, something good: A self-regulatory approach to understanding optimism, positive affect, and other psychological resources*. Invited colloquium, Department of Psychology, University of Oregon.
- Aspinwall, L.G. (2001, April). *Happier and wiser: Positive affect promotes careful attention to risk information*. Invited paper for keynote integrative symposium on *Heart and mind: Emotion, decision making, and risk* (Gretchen Chapman, Chair). Presented at the annual meetings of the Eastern Psychological Association in Washington, DC.
- Aspinwall, L.G. (2001, March). *Something's coming, something good: Bridging research on optimism, positive affect, and the self*. Invited colloquium, Department of Psychology, Cornell University.
- Aspinwall, L.G. (2000, July). *Social comparison, self-regulation, and task performance: Timing is everything*. Paper presented for invited symposium on *Managing conceptions about self and other: Adaptive functions for action and self-regulation* at the International Congress of Psychology in Stockholm, Sweden.
- Aspinwall, L.G., & Sechrist, G. B. (2000, June). *Proactive coping, expectations, and performance: Learning from others' experiences*. Paper presented for invited symposium on *Current research in mental simulations* at the annual meetings of the American Psychological Society in Miami.
- Aspinwall, L.G. (1999, Nov.). *Affect, self-regulation, and responses to health-risk information*. Invited presentation, Health Cognitions Meeting, Captiva Island, FL.
- Aspinwall, L.G. (1999, October). *How does optimism "work"?: Positive beliefs and the upward spiral of knowledge, effective coping, and well-being*. Invited colloquium, University of Pennsylvania.

- Aspinwall, L.G., Hill, D. L., & Reed, M. B. (1999, June). *Mood as resource: Expected positive mood facilitates the processing of negative feedback about the self*. Paper presented for symposium on *Beneficial repercussions of positive emotions* at the annual meetings of the American Psychological Society in Denver.
- Aspinwall, L.G. (1998, December). *Persuasion for the purpose of cancer risk reduction*. Presented for National Cancer Institute workshop on *Cancer risk communication: What we know and what we need to learn* in Potomac, MD.
- Aspinwall, L.G. (1998, November). *Understanding optimism: Resources, skills, coping, and health*. Invited colloquium, Bucknell University.
- Aspinwall, L.G. (1998, February). *Optimism and attention to negative information: Implications for coping and health*. Invited presentation for symposium on *Understanding and cultivating hope* at the Symposium on the Science and Optimism of Hope sponsored by the Templeton Foundation in Philadelphia.
- Aspinwall, L.G., Frazier, L.E., & Cooper, D.A. (1997, August). *Being shown up vs. being shown how: When exposure to upward comparisons fosters superior performance*. Paper presented for symposium on *The self under threat in upward social comparison* at the annual meetings of the American Psychological Association in Chicago.
- Aspinwall, L.G. (1997, June). *Proactive coping and the detection and management of potential stressors*. Paper presented for symposium on *Reconsidering planning: Multiple psychological and contextual perspectives* at the annual meetings of the Jean Piaget Society in Los Angeles.
- Reed, M. B. & Aspinwall, L.G. (1997, April). *Positive affect and attention to self-relevant negative information*. Paper presented for invited symposium on *Positive beliefs and health* at the annual meetings of the Eastern Psychological Association in Washington, DC.
- Aspinwall, L.G. (1997, April). *Proactive coping and the detection and management of potential stressors*. Invited colloquium, Gettysburg College.
- Aspinwall, L.G. (1996, July). *Optimism and the process of appraising and responding to potential and actual threats*. Paper presented for symposium on *Detecting and responding to threat: Perspectives from clinical, personality and social psychology* at the annual meetings of the American Psychological Society in San Francisco.
- Aspinwall, L.G., & Hill, D. L. (1996, June). *Health cognitions and response modulation: Understanding health-related decision making*. Invited paper, Second Annual Iowa Conference on Health Cognitions, Ames, IA.
