EXPERIENCE

University of Utah, Salt Lake City, UT

Associate Vice President for Faculty, Academic Affairs, since July 2011

- Oversee university faculty personnel issues including faculty appointment, review, conduct, and professional development
- Assist the Senior Vice President (Provost) for Academic Affairs with general university administration, governance, and conflict resolution

Chief Sustainability Officer, since September 2013

- Coordinate sustainability efforts across campus, including education, research, student engagement, and facilities
- Major projects of the Sustainability Office include:
 - support and shepherd university's participation in purchase of offsite and onsite renewable energy to reach university's 2050 carbon neutrality goal (<https://unews.utah.edu/u-commits-to-renewable-energy/>)
 - increase courses recognized for sustainability education content and include sustainability education as a required learning outcome
 - develop university-wide Sustainability Action Plan
 - assist with university's participation in the Real Food Challenge, with a goal of 20% real food by 2020
 - continue to grow a new revolving loan fund for energy efficiency projects
 - support community discounted electric vehicle and solar programs, modeled on our 2014 program, the largest university-community discounted solar program in the nation with over 1.4 MW installed
