#### GRANTS

---

##### GRANTS FUNDED

9. School-based mindfulness training to improve psychological well-being and prevent substance use among adolescents. Seed Grant Program, University of Utah College of Social Work. (\$21,233). 2022-23.  
Role: Principal Investigator

8. Development of Appellate Attorney Case Load Standards. U.S. Department of Justice / Utah Indigent Appellant Defense Division. (\$131,238). 2022-23.  
PI: Jagers, J.  
Role: Co-Investigator
7. Developing family support options through training and apprenticeships for substance use disorder counselors. Health Resources and Services Administration. (\$2,180,000). 2020-24.  
PI: Castillo, J.  
Role: Co-Investigator
6. Utah Prevention Brief on E-cigarettes: Background, youth use, and racial/ethnic disparities. Utah Society for Prevention Research. (\$2,500). 2021.  
Role: Principal Investigator
5. Characterizing local COVID-19 emergent phenomenon and mitigation using computational modeling. Utah 3i Initiative Emerging COVID-19/SARS-CoV-2 Research. (\$25,000). 2020-21.  
PI: Facelli, J.C.  
Role: Co-Investigator
4. Developing infrastructure and harmonized metrics to study the impact of Opioid ECHO programs. Utah Center for Clinical and Translational Science. (\$513,925). 2019-21.  
PI: Facelli, J.C.  
Role: Co-Investigator
3. Using mobile technology to understand the impact of socioeconomic and neighborhood factors on smoking cessation. National Cancer Institute Ruth L. Kirschstein National Research Service Award (NRSA) Individual Postdoctoral Fellowship (F32). (\$58,282). 2018-19.  
Role: Principal Investigator
2. Cancer health disparities training award. Geographical Management of Cancer Health Disparities Region 6. (\$3,500). 2018, 2019, 2020.  
Role: Principal Investigator
1. An examination of neighborhood contexts and substance use across the life course. National Poverty Research Center Dissertation Fellowship, Institute for Research on Poverty at the University of Wisconsin–Madison, Office of the Assistant Secretary for Planning and Evaluation, U.S. Department of Health and Human Services, AE00103. (\$10,500). 2017.  
Role: Principal Investigator

#### **GRANTS SUBMITTED (UNFUNDED)**

12. Examining socioeconomic differences in modifiable cancer risks among youth to inform community cancer prevention. NIH Health Disparities Loan Repayment Program. 2022.  
Role: Principal Investigator  
Status: Under Review
11. Spatial-temporal mapping of modifiable cancer risk behaviors among Utah youth to inform community cancer prevention. Five for the Fight Fellowship Program, Huntsman Cancer Institute. 2022.  
Role: Principal Investigator

10. Characterizing environmental effects on Type 2 Diabetes Mellitus using satellite-derived images. Driving Out Diabetes and Diabetes and Metabolism Research Center, University of Utah. 2021.  
PI: Riches, N.  
Role: Co-Investigator
9. Harnessing data science for health discovery and innovation in Africa research hubs: Cameroon Data science center for vector borne diseases. U54, National Center for Advancing Translational Sciences. 2021.  
PI: Facelli, J.C.  
Role: Co-Investigator
8. Using mobile health technology to understand socioeconomic differences in smoking cessation processes. K08, National Cancer Institute. 2020.  
Role: Principal Investigator
7. Mindfulness-based digital therapeutic to reduce suicide risk among justice-involved youth. R34, National Institutes of Mental Health. 2020.  
PI: Jagers, J. & Osteen, P.  
Role: Co-Investigator
6. A mindfulness-based brief intervention to reduce risk of suicide among youth with juvenile justice system involvement. R34, National Institutes of Mental Health. 2019.  
PI: Jagers, J. & Osteen, P.  
Role: Co-Investigator
5. Effects of medication-assisted treatment on opioid overdose rates among rural populations in Utah. 1U4U seed grant. University of Utah. 2019.  
PI: Qeadan, F.  
Role: Co-Investigator
4. Using mHealth to understand the impact of socioeconomic status on smoking cessation. Postdoctoral Fellowship, American Cancer Society. 2018.  
Role: Principal Investigator
3. Using mobile technology to understand the impact of socioeconomic and neighborhood factors on smoking cessation. Health Disparities Loan Repayment Program, National Institutes of Health. 2018.  
Role: Principal Investigator
2. Enhancing methods to evaluate state-level cannabis policies. Graduate Fellowship Program, Center for Studies in Demography and Ecology, University of Washington. 2016.  
Role: Principal Investigator
1. Estimating the historical density of medical cannabis dispensaries in Washington State. Marijuana-dedicated Small Grants Program, Alcohol and Drug Abuse Institute, University of Washington. 2016.  
Role: Principal Investigator

#### GRANTS IN DEVELOPMENT

3. Spatial-temporal mapping of modifiable cancer risk behaviors among Utah youth to inform community cancer prevention.

Role: Principal Investigator

2. Ecological momentary assessment of social and environmental contexts for e-cigarette use among Hispanic/Latino young adults.

Role: Principal Investigator

1. Classroom-based mindfulness training to improve psychological well-being and prevent substance use among adolescents.

Role: Principal Investigator

## PRESENTATIONS

---

### PEER-REVIEWED PRESENTATIONS

18. **Cambron, C.**, Castillo, J., Frost, C. (2022). Effectiveness of brief in-person and virtual substance use disorder counselor trainings from 2019 to 2021. Poster accepted at the 68<sup>th</sup> Annual Program Meeting of the Council on Social Work Education, Anaheim, CA.
17. Gouripeddi, R., Wang, Y., Li, B., Davis, K., **Cambron, C.**, Sward, K., Horel, J., Facelli, J. (2020). Modeling environment factors in local COVID-19 emergent phenomenon. COVID-19 Global Climate & Environment e-Symposium.
16. **Cambron, C.**, Hopkins, P., Burningham, C.\*, Lam, C.Y., Cinciripini, P., Wetter, D.W. (2020). Socioeconomic status, trait mindfulness, and momentary associations between stress and smoking lapse during a quit attempt. Paper accepted at the 30th Annual Conference of the Society for Prevention Research, Washington, D.C. (canceled due to COVID)
15. **Cambron, C.**, Lam, C.Y., Cinciripini, P., Li, L., Wetter, D.W. (2020). Socioeconomic status, social context, and smoking lapse during a quit attempt: An ecological momentary assessment study. Paper presented at the Society for Social Work Research annual meeting, Washington, D.C.
14. **Cambron, C.**, Lam, C.Y., Wetter, D.W. (2018). Socioeconomic status, and momentary associations among stress and smoking lapse during a quit attempt: An ecological momentary assessment study. Paper presented at the Huntsman Cancer Institute Research Symposium, Salt Lake City, UT.
13. **Cambron, C.**, Kosterman, R., Rhew, I.C., Catalano, R.F., Guttmanova, K., Hawkins, J.D. (2017). Neighborhood Context and Proximal Risk Factors for Adolescent Substance Use. Paper presented at the 27<sup>th</sup> Annual Conference of the Society for Prevention Research, Washington, D.C.
12. **Cambron, C.**, Guttmanova, K., Fleming, C.B., Rhew, I.C., Hanson, K. (2016). Associations between county- and individual-level cannabis norms and adolescent cannabis use: A cross-sectional multilevel analysis of Oregon's Healthy Teen Survey. Paper presented at the Society for Prevention Research 24<sup>th</sup> annual meeting, San Francisco, CA.
11. **Cambron, C.**, Kosterman, R., Rhew, I.C., Guttmanova, K., Hawkins, J.D. (2016). A longitudinal examination of problem drinking and neighborhood disorder from age 21 to 39. Paper presented at the Society for Prevention Research 24<sup>th</sup> annual meeting, San Francisco, CA.
10. Fleming, C.B., Guttmanova, K., **Cambron, C.**, Rhew, I.C., Oesterle, S. (2016). Examination of the divergence in trends for adolescent marijuana use and marijuana-specific risk factors in

Washington State. Paper presented at the Society for Prevention Research 24<sup>th</sup> annual meeting, San Francisco, CA.

9. Johnson, R., Guttmanova, K., **Cambron, C.**, Parker, E.M., Fleming, C.B. (2016). Trends in substance use and perceived availability of drugs in Washington State among adolescents: Differences by race and ethnicity. Paper presented at the Society for Prevention Research 24<sup>th</sup> annual meeting, San Francisco, CA.
8. Gavin, A., Jones, T.M., Kosterman, R., Lee, J.O., **Cambron, C.**, Hill, K.G., Hawkins, J.D. (2016). Are there racial differences in behavioral health mechanisms linking childhood socioeconomic status and growth in adult BMI? Poster presented at the Society for Prevention Research 24<sup>th</sup> annual meeting, San Francisco, CA.
7. **Cambron, C.**, Guttmanova, K., Fleming, C.B., Rhew, I.C., Hanson, K. (2016). Associations between county- and individual-level cannabis norms and adolescent cannabis use: A cross-sectional multilevel analysis of Oregon's Healthy Teen Survey. Paper presented to the Center for Studies in Demography and Ecology, Seattle, WA.
6. **Cambron, C.**, Kosterman, R., Catalano, R.F., Hill, K.G., Hawkins, J.D. (2015). Linking executive function skills with academic attainment: The role of academic performance, social development, and antisocial behavior. Poster presented at the Center for Statistics and the Social Sciences autumn meeting, Seattle, WA.
5. Guttmanova, K., Fleming, C.B., **Cambron, C.**, Rhew, I.C., Briney, J., Hanson, K., Oesterle, S. (2015). Adolescent substance use and proximal risk factors in the context of changes in medical marijuana legislation in multiple states. Paper present at College on Problems of Drug Dependence annual meeting, Phoenix, AZ.
4. **Cambron, C.**, Kosterman, R., Catalano, R.F., Abbott, R., Eisenberg, N., Hawkins, J.D. (2015). Similarities and differences in risk and protection across ethnic groups: Tests of invariance in predicting problem behaviors in adolescence. Paper presented at the Society for Prevention Research 23<sup>rd</sup> annual meeting, Washington, D.C.
3. **Cambron, C.**, Kosterman, R., Catalano, R.F., Hill, K.G., Hawkins, J.D. (2015). Linking executive function skills with academic attainment: The role of academic performance, social development, and antisocial behavior. Poster presented at the Society for Prevention Research 23<sup>rd</sup> annual meeting, Washington, D.C.
2. Guttmanova, K., Fleming, C.B., **Cambron, C.**, Rhew, I.C., Briney, J., Hanson, K. (2015). Adolescent substance use and proximal risk factors in the context of changes in medical marijuana legislation in Washington State. Paper presented at the Society for Prevention Research 23<sup>rd</sup> annual meeting, Washington, D.C.
1. **Cambron, C.** (2015). Measuring cognitive, emotional, and behavior regulation skills with the Child Behavior Checklist. Poster presented at the Center for Statistics and the Social Sciences winter meeting, Seattle, WA.

**INVITED PRESENTATIONS**

1. **Cambron, C.,** Gringeri, C., Vogel-Ferguson, M.B. (2016). Physical and mental health correlates of adverse childhood experiences among low-income women. Continuing Education Webinar Series, NASW, Wisconsin Chapter.

\* denotes student

**ACADEMIC POSITIONS**

---

- 2019 - Assistant Professor, College of Social Work, University of Utah
- 2017 - 19 Postdoctoral Research Fellow, Center for Health Outcomes and Population Equity, Huntsman Cancer Institute, University of Utah

**TEACHING**

---

- 2022 - Applied Social Work Statistics, BSW, University of Utah
- 2022 - Qualifying Exam Committee, Amy Kenney, College of Social Work
- 2022 - Dissertation Committee, Bobby Younce, College of Social Work
- 2020 - Dissertation Committee, Colin Adamo, Department of Psychology
- 2019 - 22 Statistics I, PhD, University of Utah
- 2020 - 22 Social Work Research & Evaluation, BSW, University of Utah
- 2018 Social Determinants of Health, PhD, University of Utah, *co-instructor*
- 2016 Poverty and Inequality, MSW, University of Washington

**INVITED LECTURES**

- 2020, 21 Statistics II, PhD, University of Utah
- 2020 Advanced Research and Grant Writing, PhD, University of Utah
- 2020 Quantitative Research, PhD, University of Utah
