Associate, 2005-2009
Design Professional, 2003-2005

RESEARCH & CREATIVE ACTIVITIES

My research investigates intersections between health and design, and focuses on ways that places serve as platforms for equity and inclusion across the lifespan. I utilize participatory research methods to focus on place-based issues related to aging and health.

Research Grants and Funding Awards

Principal Investigator with Linda Edelman, "Age-friendly Communities as Platforms for Equity, Health & Wellness," 2022-2023. Symposium design. (\$21,000)

Co-Investigator with Andy Hong, Alessandro Rigolon, Michelle Sorweid and Sarah Canham, "Nature RX: Exploring barriers and facilitators to implementing nature-based health interventions for older adults," Nature and Human Health – Utah Pilot Grant. 2022-2023. (\$10,000)

Co-Investigator with Andy Hong, Sarah Canham and Michelle Sorweid, "Systematic Review: Age-friendly Environment Intervention Studies," World Health Organization, 2021. (\$23,000)

Co-Director with Andy Hong, Sarah Canham and Michelle Sorweid, "Healthy Aging Resilient Places Lab," Center on Aging, University of Utah, 2021. (\$50,000)

Principal Investigator with Jim Agutter, Sarah Canham, Ivis Garcia and Andy Hong, "From Sheltered in Place to Thriving in Place: Investigating Dimensions of Aging in the "Right" Place during the Pandemic," Office of the Vice President for Research Scholarship Incentive Program, 2021. (\$20,000)

Project Lead, "Co-Diagnosis: An Interdisciplinary Design Exploration of Caring for Dually Diagnosed Medical and Behavioral Health Patients." Faculty Award for Curriculum Collaboration, Sam Fox School of Design & Visual Arts, 2020. (\$5,000)

Project Lead, "Shared Sites: Design for Intergenerational Aging." City-Studio STL Faculty Award, Office for Socially Engaged Practice, Sam Fox School of Design & Visual Arts. 2019. (\$5,000)

Principal Investigator, "Measuring Performance in Patient Room Design." Center for Health, Research & Design, Sam Fox School of Design & Visual Arts, Washington University in St. Louis, 2016-2019. (\$150,000)

Grant-Writing Experience

Proposal submitted to the American Colleges and Schools of Architecture (ACSA) Propel, "Equity and Inclusion from Practice Perspectives." (\$5,000)

Proposal submitted to the University of Utah, 1U4U Innovation Grant, "Enhancing Age Inclusivity across the University of Utah Academic Campus." (\$30,000)

Proposal submitted to University of Utah, Digital Matters as PI, "Co Creating Journeys Through Age Friendly Health Systems." (\$5,000)

Proposal submitted to the Retirement Research Foundation as PI, "Exploring Intergenerational Home Sharing through Social, Economic and Health Lenses." 2021 (\$50,000)

Proposal submitted to the National Endowments for the Humanities (NEH) as PI of multi-institution collaborative project, "Exploring Intergenerational Opportunities for Digital Inclusion in Cultural Spaces & Places: Towards Age-Friendly Platforms for the Humanities." 2021. (\$50,000)

Proposal submitted to the University of Utah Vice President for Research as co-PI, Faculty Small Grant, "Age Friendly Communities Symposium." (\$5,000)

Proposal submitted to the University of Utah, Group Teaching Grant "Community Design Studio Engagement Initiative." (\$6,800)
